
310-XXXX Access

F

Description

310-XXXX Access provides a unique seven-digit number assignment to a Customer such that, when the number is dialed, the intelligence built into the network can provide call routing instructions.

F

Terms and Conditions

These terms, conditions and rates apply only to business exchanges that are forborne from regulation, as identified on page 360, *Forborne Local Exchanges*. For all other locations, refer to the regulated General Tariff.

1. 310-XXXX Access is available to business customers only.
2. 310-XXXX Access is available only where suitable facilities exist and where the service has no damaging effect on general telephone service.
3. Customers may only receive Saskatchewan coverage.
4. Only one conversion number is assigned to a 310-XXXX Access number.

C

Exception: More than one conversion number may be assigned when the Customer subscribes to toll free features.

F

5. More than one 310-XXXX Access number can terminate on the same conversion number.
6. SaskTel may require the Customer to subscribe to additional access lines when, in SaskTel's opinion, they are necessary to accommodate the number of 310-XXXX Access calls.
7. Subscribers must complete all calls received by the 310-XXXX Access number. If calls are received from a Saskatchewan location not served by the subscriber, the call cannot simply be terminated. In these instances, the subscriber must establish a default number or have an automated message stating the subscriber's service is not available in the caller's area.
